

Sign Up For V&M Small Groups Now!

We launched a pilot Small Group early this year. John and Neal have facilitated a 9 person group for six months now. Several folks in this group are becoming equipped to lead co-lead new groups. Our hope is to launch 2 or 3 Small Groups in mid-September.

Goal: Build community + mature spiritually.

Content: At each gathering, participants respond to the ancient question, “How is it with your soul?” to cut through the small talk and get into what is really happening in our lives. Participants also dive into a spiritual topic or practice at each meeting. The topics will correspond to the theme of Celebration in a given month.

Frequency: Twice per month from mid-Sept to mid-May, with breaks during holidays.

Days/Times/Locations: This will depend on the schedules of the facilitators and on who is interested in joining. We will try to group people based on proximity if possible.

Commitment: Out of the 15 meetings, we are seeking people willing to commit to attending at least 12 of those meetings (understanding that emergencies do come up).

Group Size: 7-12 people.

Parents: If there is enough interest, we will try to form a group that has childcare at the meeting location. Parents will be asked to chip in a few dollars per session to pay the sitter(s), but V&M will cover costs for families that otherwise could not participate. This group would meet at a mutually agreed upon time (probably earlier than other groups).
